Success is no more a "DREAM" it's a Reality

Rafhy Apparel was established in 2012 with a highly competent team. People wondered that so much styling cannot be done on contemporary sewing machines. Today with our dedication, efforts and hard work we have proved that we have the ability to do so. Now it is said that people at "RAFHY APPAREL" have turned Impossible" into "Possible" in merely 11 years. Company has grown its name successfully in global market for delivering quality, consistency, and reliability with total customer care.

We call it a "Family" Our workers and Our buyers

Rafhy Apparel has worked not only as a company but also as a family. Our employees are as old as the company itself. We have a lot of satisfied workers who have grown and nurtured this company from a small enterprise to large business operations. Our buyers are also part of the family because our relationship with them has been groomed since our first day in operation. The confidence and trust that has developed over the years resulted in consistent performance.

Our Certifications

Our Employees Share Our Success

We never terminate or isolate our workers. They are well taken care of medically and financially, which creates a pleasant working environment. We take care of their social needs and make humanly possible efforts for them to have an easy life.

"Quality is Never an Accident" its always a result of intelligent effort

"First time Right" is our prime objective. We make sure that we stay focused during the production process. We ensure quality, the basic ingredient of our product and the key to success.

Fabric Capabilities

Rafhy Apparel produces the finest knitted fabrics. We have the capability of manufacturing various varieties of knitted fabrics such as jersey, pique, rib, interlock, thermal, brushed fleece, un-brushed fleece, and anything as per customer requirement. We can produce these fabrics in cotton, blends, and synthetics. These can also be finished with the latest performance features like water repellant and low shrinkage.

Mission

- Producer of textile products by providing the highest quality of products and services to its customers.
- To strive for excellence through commitment, integrity, honesty, and teamwork.
- To develop an extremely motivated and professionally trained work force which would drive growth through innovation and renovation.
